

ABDALRAHMAN KHALEFA

Full-Stack Web Developer | Backend-Focused (Laravel & PHP)

Egypt | +20 114 052 7582 | abdelrahman09.k@gmail.com | github.com/Abd-Alrahman-Khalifa | linkedin.com/in/abdelrahman-khalifa

PROFESSIONAL SUMMARY

Full-Stack Web Developer focused on Backend Development with PHP and Laravel, with hands-on experience building database-driven web applications and e-commerce systems. Experienced in Laravel MVC, Eloquent ORM, MySQL, REST APIs, authentication, authorization, middleware, validation, policies, and role-based access control. Strong frontend foundation with React.js, JavaScript, HTML, CSS, Bootstrap, and Tailwind CSS — enabling complete application development from backend architecture to frontend integration.

TECHNICAL SKILLS

Backend: PHP, Laravel, MVC, REST APIs, Eloquent ORM, Middleware, Authentication, Authorization, Policies, Validation, AJAX

Database: MySQL, Relational Database Design, Migrations, Eloquent Relationships, Query Builder

Frontend: React.js, JavaScript, HTML5, CSS3, jQuery, Bootstrap, Tailwind CSS, Responsive Design

Tools: Git, GitHub, Composer, Postman, XAMPP

SELECTED PROJECTS

Laravel E-Commerce Platform — *Laravel, PHP, MySQL, JavaScript, AJAX, Bootstrap*

- Developed product, category, cart, wishlist, order, and order-item management.
- Designed relational database structure using MySQL and Eloquent relationships.
- Implemented authentication, middleware, policies, roles, and permissions.
- Built AJAX-based cart and wishlist operations without page reloads.
- Developed admin functionality for managing products and application data.
- Integrated backend business logic with responsive frontend interfaces.

EDUCATION

Bachelor of Information Technology — Software IT Track — *Delta Technological University*

Expected Graduation: 2027

TRAINING & EXPERIENCE

Full-Stack Web Development Diploma — Bravo — *2026*

Hands-on training covering HTML, CSS, JavaScript, jQuery, Bootstrap, Tailwind CSS, React.js, PHP, MySQL, and Laravel, with practical application development and backend/database integration.

Web Development Experience — Bravo — *2 Months*

Practical development experience working with PHP, Laravel, MySQL, and modern frontend technologies, supported by an official experience certificate.

Artificial Intelligence Course — Creativa

Completed Artificial Intelligence training through Creativa, under the Ministry of Communications and Information Technology (MCIT).

CERTIFICATIONS

Full-Stack Web Development Diploma — Bravo • Web Development Experience Certificate — Bravo • Artificial Intelligence Course — Creativa (MCIT)
